

## **ANGLICTINA ONLINE. MY BEST FRIEND. TRANSCRIPT**

My best friend is named Anna. She is a very kind and friendly person. Anna has many good traits that make her a great friend. She is always happy and has a big smile on her face. She is very helpful and loves to share her things with others. Anna is also a good listener, and she always tries to understand other people's feelings.

Anna has long brown hair and blue eyes. She is tall and has a nice smile. She likes to wear comfortable clothes like jeans and t-shirts. Her favourite colour is blue, and she often wears blue clothes.

Anna and I like to do many activities together. We love to play games and have fun. Our favourite game is soccer, and we often play it at the park. We both enjoy running and kicking the ball. Sometimes, we also ride our bikes together. We like to explore new places and ride our bikes through the neighbourhood.

Another activity we enjoy is watching movies. We have movie nights at each other's houses, where we watch funny and exciting movies. We like to eat popcorn and laugh together. After the movie, we talk about our favourite parts and share our thoughts.

We also enjoy going to the park and having picnics. We bring sandwiches, fruits, and drinks, and we sit on a big blanket under a tree. We talk, laugh, and enjoy the fresh air while we eat.

Sometimes, we help each other with our homework. We study together, and we learn new things from each other. We also like to draw and paint. We create beautiful pictures, and sometimes we give them as gifts to our families.

Anna is a very special friend to me. We have many good times together, and we support each other when we are sad or having a hard time. I am very lucky to have a friend like Anna, and I hope we will be friends forever.
