Part 1. Introductions

Louise: Good afternoon. My name is Louise Green and this is Josie Maniscalco. And your names are?

Marta: Marta.

Louise: Thank you.

Giovanna: Joe.

Anna: And Anna.

Louise: Thank you.

Josie: First of all, we'd like to know something about you, Marta. Where do you live?

Marta: I live in (inaudible), a town, small town in the outskirts of Milan.

Louise: And what do you do there?

Marta: I live there with my family. I play sports there and I hang out with my friends.

Josie: Joe, where do you live?

Joe: I live in Sigaretta It's close to Milan. It's pretty nice, especially nowadays because there's lots of things going on for the summer.

Louise: Joe, how important is it for you to spend time with friends and family?

Joe: It has a great importance, unfortunately I do not have a lot of time to spend with family and friends because I'm always working, but the most important thing is to stay with them because that literally makes me relax and makes me feel better.

Louise: Marta. If you could change one thing about your life today, what would it be?

Marta: I would choose to live in another city. I love Milan, but I would like to go abroad and spend my life abroad.

Louise: If you had more free time, what would you do with it?

Joe: I would sleep. This is for sure.

Louise: Why?

Joe: Because I have very little time to sleep. There is so much to do in the house. There's housework to do. There's a daughter to follow. There's the cooking and there's the ironing. The usual things a woman has to do.
