

E2 IELTS. IELTS SPEAKING BAND 9 RESPONSE. ANIMALS. TRANSCRIPT

Part 1. When was the last time you visited a zoo?

Quite recently because the zoo here has a lion breeding program and I was desperate to see the cubs that were born a couple of months ago. They were so adorable we watched them play fighting with each other and it was really lovely to see them interacting with their mother - who was very protective of them.

VOCABULARY

adorable (adjective) - very cute and makes you want to smile or give a hug.

breeding (noun) - the process of animals having babies.

desperate (adjective) - feeling like you really need or want something right now.

play fighting (noun) - fighting for fun without trying to hurt anyone.

protective (adjective) - wanting to keep someone safe from harm.
