Woman: Hi!

Children: Hi!

Woman: Guys, what are we doing here today?

Children: Show and Tell, best friend.

Woman: Can somebody tell me, like, what is a best friend?

Phoebe: A best friend is like the closest friend you can have.

Woman: Cool, let's do it.

Austin: Everybody, meet my best friend. This is Lucas.

Children: Hi Lucas.

Austin: He was my first best friend, like ever.

Lucas: On the first day of school, I was drawing. Morning work.

Austin: Yeah, morning work.

Lucas: You were like scribbling on it.

Austin: Yeah, I was scribbling on it.

Lucas: And then I said, "Do you wanna be friends?" And you were like, "Yeah, sure."

Austin: I was, "Yeah."

Phoebe: What's your favourite thing about each other?

Austin: I like him because he understands me.

Lucas: He's really playful.

Austin: We do have a secret handshake.

Lucas: It's not really secret anymore because it's gonna be all over the internet.

Woman: I think we should quiz Austin and Lucas on how well they know each other.

Oden: What is Austin's favourite food?

Lucas: Sweets?

Austin: Yes.

Oden: What is his birthday?

Lucas: You should know this, you came every time.

Austin: I never looked at the calendar.

Woman: All right, say bye, Lucas!

Children: Bye, Lucas!

Oden: This is my best friend. Her name is Ava.

Ava: Hi.

Sunday: What do you guys like to do together?

Oden: Talk about politics.

Woman: What kind of politics do you guys talk about?

Ava: Classroom politics.

Oden: Yeah. And also Trump.

Austin: What is your best friend really good at?

Ava: I can't think of anything you're good at. Wait, wait, the drums. You're good at the drums.

Oden: Oh, yeah.

Ava: But that's the only. That's the only thing I can think of.

Oden: Oh, okay.

Sunday: This is my best friend.

Woman: Here he comes! Sunday's best friend!

Sunday: His name is Cade and we've met since before we were born.

Austin: How is that possible?

Sunday: My mom came in to see his mom, and I was kicking on her belly to see my best friend.

Woman: So, Sunday was in her mom's belly when she met Cade for the first time.

Austin: What? What do you guys like to do together?

Sunday: Dance.

Woman: You like to dance together?

Sunday: You know, the twirl.

Austin: Can you please show us how you dance?

Ginger: Are you two gonna be married when you grow up?

Sunday: Uh. I don't know.

Cade: Yes.

Austin: Oh my gosh! Oh my gosh! I have a statement. This is a really good friend group. I like this.

Ginger: It's a couple.

Woman: Oden, nobody asked if you and Ava were a couple!

Oden: She used to be my girlfriend.

Phoebe: What? She's your ex-girlfriend?

Austin: Well, that's sad.

Woman: We got to wrap this one up. Bye Cade!

Children: Bye Cade!
