

ILETS QUANG BINH. CHORES. TRANSCRIPT

Did you do some house cleaning when you were young?

Sure I did. I remember that was kind of a school task back then. Teachers would ask us to help our parents to do some basic chores, you know like cleaning the table after meals or washing our own napkins.

Do you think your home is clean and tidy?

Yes, I think so. I cannot stand my room being messy and untidy. I will clean up every time I finish a meal or I will wash my clothes when they get dirty. I'm in a good mood when my room is clean and tidy.

What housework do you like or dislike doing?

Well, I like to organise my closet, you know it's really relaxing and it's a good way to check out what clothes I have and also a warning for me to stop buying more clothes. I really don't like washing dishes because my hands will get oily.
