Examiner: Okay, now I'm going to give you a topic and I'd like you to talk about it for one to two minutes. Before you talk, you'll have one minute to think about what you're going to say and you can make some notes if you wish. Do you understand?

Candidate: Yeah.

Examiner: Okay so here's some paper and a pencil for making notes and here's your topic. Please don't write anything on the booklet. I'd like you to describe a person who you really like.

Candidate: Okay.

Examiner: All right, now remember you have one to two minutes for this so don't worry if I stop you. I'll tell you when the time is up.

Candidate: Yeah.

He's so um, his personality is very, he's a very lovely person, he's not only my boyfriend, he's my best friend and, when for example, when I'm very sad, he's there for me, he cares about me, he's like also like a big brother for me, and he's there all the and I really like him because we've been together now for three years and he's part of my family, and also my parents, my whole family they understand him very well and I, and yes, I love him and I think when I, I hope we will be together for a long time and maybe I will marry him one day so I don't, and I think at this moment in my life he's the most important person.
