

SOUTH COAST REPERTORY GOING TO THE THEATER. TRANSCRIPT

Hi. I'm Nicolas and welcome to South Coast Repertory. South Coast Repertory is a theatre where we do plays.

How many of you have seen a play here before? Great. Plays are my favourite thing and today I'm going to show you around the theater, to show you what to expect what you shouldn't do and things you should do when visiting South Coast Repertory. Let's go.

Now, this this is the lobby. This is where you wait before the show begins. This is the ??? stage, this is where you're gonna watch a play, and what's the difference between a play and a movie? A play has live actors that can see and hear you from the stage and you can see and hear them.

Watching a play is very fun, but there are some rules that you need to follow and this is called theatre etiquette. What is theatre etiquette things you shouldn't do in the theatre, things like no standing, jumping, dancing, walking around during the show, and be sure to turn off all cell phones, iPads electronic devices because it's distracting for the people in the theatre. Also make sure to remind mom and dad as adults always forget and one of the biggest rules in the theatre is not to talk during the show. Sit back relax and have fun.
